### § 407. Innovative project grants

(a) In addition to other grants authorized by this chapter, the Secretary may make grants in any fiscal year to those States, political subdivisions thereof, and nonprofit organizations which develop innovative approaches to highway safety problems in accordance with criteria to be established by the Secretary in cooperation with the States, political subdivisions thereof, and such nonprofit organizations as the Secretary deems appropriate.

(b) The Secretary shall establish a procedure for the selection of grant applications submitted under this section. In developing such procedure,

the Secretary shall consult with the States and political subdivisions thereof, appropriate Federal departments and agencies, and such other public and nonprofit organizations as the Secretary deems appropriate.

(c) Any State, political subdivision thereof, and nonprofit organization may make an application under this section to carry out an innovative project described in subsection (a) of this section. Such application shall be in such form and contain such information as the Secretary, by regulation, prescribes.

(d) Not to exceed 2 per centum of the funds authorized to be appropriated to carry out this section shall be available to the Secretary for the necessary costs of administering the provisions of this section.

(e) The Secretary shall submit an annual report to the Congress which provides a description of each application received for a grant under this section and an evaluation of innovative projects carried out with grants made under this section.

(Added Pub. L. 95-599, title II, §208(a), Nov. 6, 1978, 92 Stat. 2732.)

### § 408. State traffic safety information system improvements

(a) **GRANT AUTHORITY.**—Subject to the requirements of this section, the Secretary shall make grants to eligible States to support the development and implementation of effective programs by such States to—

(1) improve the timeliness, accuracy, completeness, uniformity, integration, and accessibility of the safety data of the State that is needed to identify priorities for national, State, and local highway and traffic safety programs;

(2) evaluate the effectiveness of efforts to make such improvements;

(3) link the State data systems, including traffic records, with other data systems within the State, such as systems that contain medical, roadway, and economic data; and

(4) improve the compatibility and interoperability of the data systems of the State with national data systems and data systems of other States and enhance the ability of the Secretary to observe and analyze national trends in crash occurrences, rates, outcomes, and circumstances.

(b) **FIRST-YEAR GRANTS.**—To be eligible for a first-year grant under this section in a fiscal year, a State shall demonstrate to the satisfaction of the Secretary that the State has—

(1) established a highway safety data and traffic records coordinating committee with a multidisciplinary membership that includes, among others, managers, collectors, and users of traffic records and public health and injury control data systems; and

(2) developed a multiyear highway safety data and traffic records system strategic plan—
